Newly elected Chairman of the IADC North Sea Chapter

We are proud to announce that John Monks, our General Manager Northern Offshore U.K. Ltd. has been elected to the post of Chairman of the North Sea Chapter of the International Association of Drilling Contractors. John has been an active supporter of the IADC for many years and apart from serving on many committees, he is also a former Chairman of the North Sea HSE Working Group. The North Sea Chapter is one of the larger and more active branches of the IADC and John's election recognizes his standing as an industry leader in that part of the world. In his new position John will chair several IADC committees and attend forums and meetings with trade unions, politicians, regulators, trade associations, operators and the media, on behalf of IADC. We wish him well!
